

# Swag Wall Draping

## Swag Wall Draping

Add an extra dimension to your wall draping by adding a swag layer! Great for covering an entire wall or helping highlight your head table. You can choose any color or style for the initial drape along with the swag later. The possibilities are endless!

*Swag Layer is the front layer. Priced separately from back layer.  
Please see any pleated, rouge or specialty drape page to see drape material/ color options!*
